

CENGAGE UNLIMITED

thousands of textbooks. one price.

SCC has partnered with Cengage Publishing to save you money on textbooks. Starting this fall, every student enrolled in at least 1 class using Cengage materials will purchase a 1-year Cengage Unlimited License. This means that you'll automatically receive access to many of your textbooks for one flat rate, saving you money AND time at the bookstore.

How do I purchase my Cengage Unlimited license?

When you register for any course this fall that uses a Cengage text, a fee of \$185 will be added to your tuition bill. This fee pays for ALL of your materials in any SCC course using Cengage texts for the *FALL 2022*, *SPRING 2023* and *SUMMER 2023* terms.

How do I get access to my materials?

Check out the first module in any Canvas course on how to create your Cengage account and start your reading and assignments.

Can I get a hard copy of my text in addition to the ebook?

Cengage offers a free rental of any text used in your courses (up to 8 free texts per semester). Select the text from your Cengage Unlimited dashboard (order early in the semester to avoid supplies running low). You will be charged a shipping and handling fee of \$9.99 per text.

What are other benefits to having a Cengage Unlimited license?

- 65% of SCC classes this fall will be using Cengage, which means you'll get access to most of your textbooks for one low price.
- Download any etext from the 22,000+ titles in the Cengage catalog to your account – even texts you aren't using in class!
- College and career success tips
- Additional materials for specific subjects (e.g. videos that reinforce basic economic concepts)

Who do I contact if I already have a Cengage unlimited license?

Contact Mary Eklund (meklund@saalemcc.edu) to let her know you already have a Cengage Unlimited license and when the license will expire.

FALL 2022 CENGAGE COURSES

ACCOUNTING

ACC131 Principles of Accounting I

BIOLOGY
